Great Lakes Wholesale
16410 S. John Lane Crossing
Unit #400 Lockport, IL 60441

JMK

1. **FREIGHT**
   Prepaid on orders over $1,000
2. **MINIMUM ORDER**
   $1,000 ordered in inner pack quantities or greater.
3. **ADD ON ORDERS**
   We will not process add on orders of less than $500 regardless of original order size.
4. **PRICES**
   Valid through December 31st, 2026. Prices are subject to change without notice. We try our best to hold prices but recent reciprocal tariffs have made that difficult. Please review prices on your confirming sales order as these are what you will be charged.
5. **BACK ORDERS**
   All back orders are cancelled (unless other arrangements have been made prior). We do track back orders for approximately 90 days. Your salesperson should contact you bi-monthly with potential back order fills.
6. **CASE & INNER PACKS**
   We are working towards reducing case quantities and removing inner packs from our line. This is a necessity looking towards a future where our operation is more automated. We apologize in advance for any inconvenience. The conversion is already over 50% complete. The remaining case packs should be adjusted throughout the year. Your confirming sales order will have the correct case quantities listed. Please refer to the sales order confirmation, not this order guide if case packs are relevant. We do have a list of scheduled case pack revisions. Please contact your sales representative to request additional information. Thanks in advance for your understanding.
7. **INDIA**
   We've noted tools made in India in the top right corner. As the USA and India just reached a trade deal the week of 2/6/26, we'll be working hard to get these and other items from India well stocked. Case and inner packs will probably not change for these items in the short term to facilitate prompt delivery.

See our website for full terms and conditions.

We offer a consistent line of quality continuity products at reasonable prices while supplementing our product mix with many exciting, limited-availability closeout items. By carefully balancing quality and value, we help our retail customers capture the end consumer on the initial sale and keep them coming back again and again.

Centrally headquartered in Lockport, IL, a suburb of Chicago, we ship our product throughout the United States, Canada, and around the world. If you are interested in becoming a Great Lakes Wholesale Group customer or supplier, please do not hesitate to contact us.
